I accept that hill walking is an activity with a danger of personal injury or death. I am aware of and accept these risks. I wish to participate in these activities voluntarily and undertake to be responsible for my own actions and involvement. I accept that those perceived of as 'in charge' and/or leading a walk, are not necessarily qualified, do not need to be qualified, are not regarded by the club or themselves as 'technical experts', but are amateur climbers, walkers or mountaineers with some experience who are happy to impart their knowledge. I understand that any advice given is to be received with this in mind.

I declare that I am not suffering from any physical or mental condition that might affect either myself or others on a walk. Further I will inform the chairperson should there be any change. I will abide by Bandon Hillwalking Club rules and Walking Guides decisions at all times.

The required age for club membership is 18 years of age, children under 18 years of age must be accompanied by a parent or guardian who hereby acknowledges sole and total responsibility for said children/child. Attendance of persons under 18 is not encouraged.
